**PRELIMINARY AMENDMENT**

Sir:

This Preliminary Amendment accompanies a divisional application filed under 37

C.F.R. § 1.53(b).

### **INTRODUCTORY COMMENTS**

In the parent application (Application no. 09/948,162) to this divisional application, claims 1-34 were subject to a restriction requirement, and claims 7-24 were elected for prosecution in the parent application.

In the present divisional application, Applicants propose to cancel claims 7-24 and 30-34, as set forth below. Thus, claims 1-6 and 25-29 remain in this divisional application.

Applicants also propose to amend the specification, as set forth below, to include a claim of priority to the parent application.

Applicants respectfully request entry of this Preliminary Amendment prior to examination on the merits.
